Sir Robert Falconer,
University of Toronto,
Toronto, Canada.

Dear Sir Robert:

Dr. T. Kennard Thomson called my attention to the fact that the Prince of Wales would be in New York, Wednesday, the 19th inst., the same evening on which I have called a meeting for the alumni in New York vicinity.

If practical will you kindly change the date to either the 18th or 20th as some of our boys will wish to attend the Prince of Wales Dinner.

Dr. J.A. Stewart wishes you to be his guest at the Prince of Wales Dinner and I would ask you to kindly wire me your acceptance and also the new date for your address to the alumni in New York vicinity.

With kind regards, I am

Very sincerely,

Thomas Hatch

Dear Sir Robert:

Replying to your telegram of even date, the last through train from New York to Montreal is scheduled 7:45 P. M.

I will express your gratitude to Dr. Stewart as requested in your telegram.

I do not believe there would be sufficient response to a luncheon invitation to warrant it and have called off our meeting in the hope that you may be able to come down at a later date.

It is my understanding you are coming to New York to attend some function other than the proposed Alumni meeting in which case I would be very pleased to have you lunch with me. Kindly notify me where you will be staying in New York so that I may drop you a line or 'phone you.

Very sincerely yours,

Thomas Hallisey

Dear Mr. Alison:

I have just received your letter. As it has turned out I could have been at a meeting of the Alumni on Tuesday, as I am expecting to leave for New York on Monday evening. However, that is now off.

Dr. Bernard Thomson was here the other day and I rather think that I should not accept your kind invitation for luncheon as he spoke to me about the possibility of arranging a luncheon with him. I expect to stay at the Algonquin Hotel, 44th Street, near Sixth Avenue.

With kind regards, I am,

Yours sincerely,

President.

Dear Mr. Alison:

I should like very much to go to New York and to take part in the University of Toronto dinner, but unfortunately I cannot do so this year as I am to be in Alberta during the first week of April. I have been asked to go with Sir Edmund Walker to speak to the Canadian Society towards the end of the month, but for the same reason I have had to refuse. However, I hope we may be able to secure General Mitchell for you. At present he is in Nova Scotia and will not be back until the end of next week. As soon as he returns I will ask him.

Yours sincerely,

President.

Dear Mr. Alison:

I saw General Niteneil yesterday on his return from the East. He is engaged during the first two weeks of April, but after the middle of April I think he would be glad to go to New York for the Alumni Dinner.

As I wrote to you before I have an outstanding engagement of four or five months which compels me to go to the West and I shall not in any case be able to attend.

Hoping that you will have a pleasant evening,

I am,

Yours sincerely,

President.
